Referee fees are to be split equally by both teams and paid to the center referees prior to the start of the match. For **LISRA** assigned games, teams are to pay the full crew fee regardless of the number of referees present for the match. For games covered by **other assignors**, teams are to pay for the number of referees present at the match.

**For games hosted in CT** using the listed assignors\*, the home team will be invoiced by the assignor as is customary in CT. The away team will provide their share (1/2 of the total fee) to the home team official instead of the referee.

- Mozzo
- Papadopoulos
- Referee Services CT

**For games hosted in NY** (all other assignors\*), both teams will continue to provide their share (1/2 of the total fee) to the center referee.

*\*The assignor is listed in the host column for each match on the public schedule.*
